SEXPLORA 22 x 22' 2016, 2018

« Sexplora » is the mating of science and adventure, for a serious talk about that three letter world that turns us all on: sex. It is a docuseries talking about orgasm, masturbation, vulva, getish, libido and penis. We entice scientists of both genders to try and better understand where our basic instincts stem from. Our curious host, Lili, compares scientific evidence and live experiments, then gets, sometimes surprising, feedback through encounters in the field.
